Growing with Schools

Winter Newsletter

December 6th 2010

Get Involved!

Whether you are an established grower or a complete beginner, we have lots to offer both pupils and teaching staff of Coventry over the coming seasons.

We are continuing our support of gardening clubs, lessons and ongoing development of garden plans. These include running the GwS

Apprenticeship for Key Stages 1 and 2, curriculum planning with staff, building fruit cages, plastic bottle greenhouses and chunky raised beds, sowing and planting with gardening clubs...

The autumn term has certainly been a busy one!

CPD opportunities

The spring term will eventually mean lighter evenings, perfect for a set of staff training sessions at various schools in Coventry.

school, get in touch with us.

Funding

Looking for the financial backing for garden projects is half the battle. We can send you a list of possible funders interested in projects like yours.

Christ the King Junior School.

We usually run them from 4-5 on a Thursday and they give teaching staff the chance to see different approaches, chat with other gardeners and learn something new that will help inform their practice back at school.

If you are interested in coming along to one, or hosting one at your

Have a very happy
Christmas!

Celebration Day 2011

Plans for our third annual Celebration Day are well underway.

It will be held at **Coundon Court Secondary School** on the **28th June**.

Twenty schools will be able to bring a small group of 'ambassador'

pupils to take part in workshops, games and quizzes and show off

what they've grown in school!
