

Job Vacancy

Community Gardener

Contract aligned with funding until 3rd May 2026

Hours: 16 per week

Hourly rate: £12.75

Windmill Community Gardens Margate is a charity that delivers social, environmental and health benefits by supporting people to share skills and learn about food growing, cooking and outdoor activities together.

We are looking for a proactive and hands-on Community Gardener with a passion for productive growing and community engagement. This role is ideal for someone who thrives outdoors, works hard, and enjoys getting stuck in — whether that's planting crops, managing volunteers, or running a community event.

In the Community Garden, you will lead on the commercial and community-focused growing of fruit, vegetables, flowers, plants and herbs to help sustain a vibrant, welcoming, and productive space. We are looking for someone who understands the importance of maintaining a thriving garden as both a learning environment and a working growing space.

By designing and delivering events, learning opportunities, children's groups, and leading volunteers and work experience placements, you will play a key role in nurturing both plants and people.

If you're a natural multitasker with green fingers and a love for community, we'd love to hear from you.

To apply please email your completed staff application form or your CV and a cover letter to us at vacancies@windmillcommunitygardensmargate.com by 11:59pm on 29th June 2025

You can download the application form and job description from our website at <https://windmillcommunitygardensmargate.com/work-with-us/>

Closing date for receipt of applications 11:59pm 29th June 2025.
