HAVE A GROW / TRIO TYFU

Are you ready to dig into a day of fun, connection, and growth? We were thrilled to launch this years Have a Grow festivities, where we helped our groups to celebrate the beauty of community and growing through intergenerational activities that inspired inclusivity and resilience in your growing spaces.

On Saturday 7th June, we asked you to open your growing spaces to show off your vibrant gardens and you filled them with laughter, learning, and plenty of green! Whether you were a seasoned Have a Grow-er or just curious about getting your group involved, there was something for everyone.

We were able to offer groups in Wales small amounts of funding through our National Lottery funded Camau Gwyrdd programme.

QUOTE FROM YSGOL GYMRAEG LLYN Y FORWYN WHO TOOK PART IN HAVE A GROW / TRIO TYFU:

“Well what a successful afternoon!! Thank from the bottom of our hearts to everyone of you that came to support the ‘Have a Grow’ afternoon organised by our Eco-Committee under the guidance of Miss Phillips. What a Wonderful Afternoon! Diolch o galon i Social Farms & Gardens / Camau Gwyrdd for the funding and support.

Thank you also for all your hard work creating planters from recycled materials. The Eco-committee spent a long while studying every one, and what a difficult job they had!”

STATS & RESOURCES

We offered our groups a range of resources to help them run their Have a Grow events. These included:

- Information sheets
