

GCF Client specific training – A Blended Learning Opportunity

The following schedule covers the taught content format of the four online blended learning courses, you only need to attend one session for each of the live events, which will total 2 live events across the course (i.e. one Activity live event and one Q&A live event).

There is a set number of spaces for each session, but if your preferred time slot is not available when you come to book, please contact thrivetrain@thrive.org.uk and a member of the team will look at trying to facilitate your request.
