

## Resilient Green Spaces – Building a National Allotment Development Team

### Landowners Expression of Interest – Questions that appear on the form

Please note that this form allows applicants to review the questions they will be asked in the online form, in order to prepare answers if they so wish. Applications must be completed on the online form, which can be found here.

1. **Your Name**
2. **Your Address**
3. **Your Postcode**
4. **Postcode of land, if different**
5. **What Local Authority area is the proposed land in?**
6. **Please confirm the proposed land is in Wales**
7. **Please confirm you own the proposed land**
8. **Do you have a map of the proposed land?**
  - a. Yes, and I can upload it
  - b. Yes, not to hand right now, but I can email it.
  - c. No

\*\* If you are able, you could go to [Google Earth](https://www.google.com/earth/), search for your land (using the magnifying glass button), roughly measure your area (as a square, with the ruler button) take a screen shot, save file that as 'your name' and upload here or email to [wales@farmgarden.org.uk](mailto:wales@farmgarden.org.uk). Thank you.

9. **What are you looking to achieve?**

This could be 'the land to be better used', 'to establish allotments', 'to work with a community group', 'to ensure succession to the land' or something else

10. **What is the area of the proposed land? (In ha)**

11. **Do you have a land holding number?**

**12. If yes, please tell us your holding number**

**13. Do you know the agricultural grading of the proposed land?**

**14. If yes, please tell us the grading**

**15. Can you tell us any more about the area surrounding the proposed land?**

For instance, is it: by social housing, close to a town, beneficial to wildlife, surrounded by woodland or fields? We are looking to support work where we can bring most benefit, so please tell us what the surrounding area is like now.

**16. Are you involved with your local Green Infrastructure strategy?**

**17. Are you interested in either of the following Resilient Green Spaces support opportunities?** Choose as many as apply

- a. Hosting allotment sites (micro, half or full) for the community?
- b. Planting around 100 edible fruit & nut trees and working with a community group to process product from them?

If yes to either of the above, we will keep your details on file and contact you in due course.

**18. Are you interested in? Choose as many as apply**

- a. Providing a starter plot / plots for new entrant farmers who are wanting to establish their farm businesses e.g. as part of a FarmStart scheme
- b. Leasing some or all of your land to a CSA or similar community led farming group or organisation
- c. Placing some or all of your land into a land trust to ensure that it is farmed using for community benefit in perpetuity

**If yes to any of the above, would you be happy to take part in some further research as part of a different strand of our Resilient Green Spaces project?**

Stating yes here will mean that we will pass your contact details and responses to this survey to our Resilient Green Spaces colleagues.

## COMPLETION PAGE

**Is there anything else you feel is pertinent that you would like to tell us or anything else you would like to expand on?**

**Confirmation**

I confirm that the answers in this form are correct to the best of my knowledge and understanding and I have authority to complete this form on behalf of my organisation. Agreeing below confirms this with us.

### READY TO SUBMIT YOUR EXPRESSION OF INTEREST?

You can find the Landowners EOI [here](#)

Resilient Green Spaces is a £1.27m partnership project being led by Social Farms & Gardens to pilot alternative re-localised food systems using communities and their green spaces as the driving force for change across Wales until June 2023. This project is funded through the Welsh Government Rural Communities - Rural Development Programme 2014-2020, which is funded by the Welsh Government and the European Union.
