

Productive Community Orchards: Expressions of Interest (Eol)

- 1 Email *
 - 2 Is your organisation or group based in Wales? *
 - 3 Are you/your organisation or group a faith based organisation or a political party or a sole trader? If so, please give details
 - 4 What is the name of your organisation or group?
 - 5 What is the address and postcode of your organisation or group
 - 6 Key contact's name
-
- 7 Key contact's email address and telephone number *
 - 8 Which language would you like us to use when we contact you? *
 - Welsh
 - English
 - No preference
 - 9 What type of organisation are you? Please select the one that most represents your organization?
 - Unincorporated - A group of people with no formal governance
 - Unregistered voluntary or community organisation - An organisation set up with a governing document such as a constitution but not registered with Companies House or the Charity Commission
 - Not-for-profit company / social enterprise - A company limited by guarantee, registered with Companies House

Community Interest Company (CIC) - A company registered with Companies House and the Community Interest Company (CIC) regulator

Registered charity or Charitable Incorporated Organisation

Registered society or Co-op - registered with the Financial

Conduct Authority School, College or University

Other

- 10 If you selected "other" above, please give details
- 11 In which year was your group established?
- 12 Do you have any paid staff?
- 13 If you answered yes to the question above, how many paid staff members do you have?
- 14 How many regular volunteers do you have access to?
- 15 Give us a brief outline of what you do, who you work with and what your areas of interest are and anything your group might specialise in. We want to know about your current and past experience in delivering and maintaining growing spaces. This could be about the existing group make-up, or about work that individual members have delivered in the past. Please give us evidence of your capacity here. Remember, our top criterion is that your group has the knowledge, skills, time and resources to manage the support we are able to offer through this programme.
- 16 Please tell us what you wish to apply for

Trees only

Processing equipment only

Storage equipment only

Trees AND equipment

Tree Applicants - on a site for edible fruit & nut tree planting

- 17 Please give us the location of the site using 'What 3 words' . See the following for how to use: <http://what3words.com/ways-to-use>
- 18 Do you have a map of the proposed land? If so, please send details to wales@farmgarden.org.uk - subject line '[YOUR ORGANISATION NAME] Map for EoI'

Yes, and I can email it

No

19 Do you already have access to the site?

20 What is your current arrangement regarding the site?

We own it

We lease it

We have a licence / right to occupy

21 If you are not the owner of the site, who owns it?

22 If you are not the owner of the site, for how long do you have access?

Please tell us how many years or months you have remaining on your access to the site

23 Do you have a holding number?

Yes

No

Don't Know

24 If you answered yes to the question above, please provide your holding number

25 Can you provide adequate insurance cover for the site?

26 Please tell us a little more about the insurance – either the precise kind of cover you already have or what you would need in the future.

27 Tell us more about the site and your wishes.

For example, is it urban or rural? What is the green space around it like - are there trees, parks, playing fields? Are you connected in any way to existing orchards? Roughly, what is the size?

28 Tell us why you would like to establish an orchard? What benefits would it bring to your group and community? Consider social, health, biodiversity and economic.

29 Can you tell us about your/the group's capacity to plant and manage the site in the longer term, following the end of support from Resilient Green Spaces?

30 If you are applying for Trees AND Equipment go to Section 7 and/or Section 8. Otherwise go to Section 9

Processing Applicants

31 Tell us more about the site and your wishes. (not needed if you have already answered this question above)

For example, is it urban or rural? What is the green space around it like - are there trees, parks,

playing fields? Are you connected in any way to existing orchards? Roughly, what is the size?

- 32 Do you process any fruit products as part of your current work?
- 33 If you do process fruit, please give us more details about what you do
- 34 If you don't process fruit, why do you want to start and are there specific items you might like to produce?
- 35 Please tell us what benefits this programme would bring to your group and your community. Consider social, health, biodiversity and economic
- 36 Do you agree to complete basic food hygiene course (if you have not already got volunteers with Level 2)?
- 37 Do you have clean / food grade premises that would be suitable for food production – or agree to create such a space?
- 38 Does your site have access to clean drinking water, electricity and sufficient access and storage space available?
- 39 Can you provide adequate insurance cover for the equipment?
- 40 Does your site have a holding number?
- 41 If you answered yes to the question above, please provide your holding number here

Storage Applicants

- 42 Tell us more about the site and your wishes. (not needed if you have already answered this question above)

For example, is it urban or rural? What is the green space around it like - are there trees, parks, playing fields? Are you connected in any way to existing orchards? Roughly, what is the size?
- 43 What storage equipment do you need eg racks, fridges, shelving...?
- 44 Do you process any fruit products as part of your current work?
- 45 If you do process fruit, please give us more details of what you do.
- 46 Please tell us what benefits this programme would bring to your group and your community? Consider social, health, biodiversity and economic

Do you agree to..

- 47 ...sign up to some training & networking events with us?
- 48 ...be added to the Community Orchards Forum?
(If you tick 'yes', we will add you to the emailing / newsletter group regardless of how your application proceeds. You are free to remove yourself from this newsletter group at any time)
- 49 ...participate in the ongoing evaluation of the project? *

NB - All orchard sites must participate in project evaluation, monitoring, keeping financial records/ receipts, sharing learning with other orchard sites and be willing to be a case study if asked.

50 ...sharing your details with other appropriate support bodies, programmes or project we think might be relevant to enable other support for your group?

We will only ever share your details with organisations, bodies, programmes or projects we feel would be directly appropriate to develop your organisation or group.

Resilient Green Spaces is a £1.27m collaboratively designed project led by Social Farms & Gardens is piloting alternative, re-localised food systems using communities and their green spaces as the driving force for change across Wales until June 2023.

This project has received funding through the Welsh Government Rural Communities – Rural Development Programme 2014-2020, which is funded by the European Agricultural Fund for Rural Development and the Welsh Government.
