

HAVE A GROW

Photo consent

Social Farms & Gardens are asking you to send us your photos of Have a Grow Day. Photos help us enormously to promote both our work and yours, and sending in photos will help us to share the success of the event with people all around the UK.

Photos and videos provided may be used in the following ways:

- Reports to funders.
- Training courses, presentations.
- Online platforms (including website, social media) or printed publications such as a leaflet.
- By organisations directly partnered with Social Farms & Gardens in Have a Grow Day.

By consenting, you understand and agree that:

- This content was taken with the consent of the subject and will be held in accordance with the Data Protection Act 2018.
- You can contact Social Farms & Gardens on the details at the bottom of this form; asking us to stop using your images at any time. If you request this, the content will not be used in any future materials. Please note that it may continue to appear in publications that are already in circulation.
- If you are informed by a subject/service user that they no longer want to be featured in future publications etc, you can also inform Social Farms & Gardens of this through email.

Please consent below:

I have read and understood this document and give my permission for Social Farms & Gardens to use images taken or recorded for use as outlined above.
