Just look at all this lovely fruit, veg, flowers and cakes I picked up at the Cilcain hub today. Lots of other members of FlintShare also went home with similar sized hauls. Why not visit us, the kettle is always on, or even better join us so you can enjoy all this lovely organically grown produce. You can pay for the veg or work on our sites to he... The push-along weeder proving it's worth on the cropshare carrots today. Note: there are five carrot beds here with five rows per bed. We used the weeder in the fourth bed. I tested the weeder on the half of the first bed on the left and the carrots are just usable. The other half and the second bed have been overtaken by weeds. These three beds w... Continue reading

Bennison Farm Community Supported Agriculture posted an offer.

8 Sep at 09:31

Sign up for a four week trial of Bennison Farm's veg bags during 'Organic September' and you'll only pay half price. That's 4 week for the price of 2. You'll get a great taste of our produce and if you like what you get you can sign up for a regular veg share at the end of trial.
